# Local Doctor's Views

SANT SINGAJI  
EDUCATIONAL  
SOCIETY

- Non-Availability of Specialised Doctors
- Specialised doctors demand more money in local hospitals
- Staff shortage in government hospital also
- No trained support staff available
- Allied Medical Service is also not available
- Lower Income Group unable to afford the medical expenses
- Requirement of charity medical services is the need of the hour.
- Unavailability and High prices of drugs
- Only 4 Doctors in Khategaon(Tehsil Place) 50K population and surrounding 168 Villages
- Dr. Surabh Dubey
- Dr. Surabh Jain
- Dr. Sanjay Tiwari

# Conclusion

SANT SINGAJI  
EDUCATIONAL  
SOCIETY

- Fundamental changes have occurred in society affecting health service.
- Changes have further increased the critical importance of primary health care & its central roll is sustainable development.
- Exploration of a workable system of primary healthcare in rural area with the help of SSISM is the need of the hour.
